Highway Department Concedes Point--Redesigns R-O-W

Robert Kronst, Illinois Highway District Engineer at French Village, announced Friday that right-of-way for improvement of Nameoki road from the Granite City limits to the Route 270 interchange at Mitchell, is being redesigned to reduce the land to be taken from the front yards of residents in the Nameoki Acres area.

Kronst said the action has been taken as a "concession" to Nameoki Acres residents who have protested in meetings and in letters--an original highway department plan to top off about 40 feet of the front yards of about 12 homes in the 4700 block of Nameoki road.

The highway department plans to construct a dual highway from the city limits to Mitchell with an 18-foot median strip at each end and a 42-foot median strip for about 1900 feet of the highway where it passes the Nameoki Acres section. The improvement, estimated to cost \$800,000, is scheduled for construction in 1968.

"I have no intention of giving up the 42-foot median in this area," Kronst said, "but in consideration of the feelings of the residents in the area I decided we might reduce the depth of the highway shoulder, the ditch and the backslope." Kronst said.

New Boundary Saves Trees
The design department already working on a new right-of-way boundary that would place the right-of-way line just outside the row of about 30 elm trees, removal of which under the original plan constituted a major part of the residents' objections.

Homes along the highway involving the 42-foot median strip approximately 80 to 100 feet back from the highway. The original plan called for state acquisition of as much as 40 feet of some of these locations.

"I'll admit," Kronst said, "that after we built the shoulder, the ditch and the backslope, our right-of-way would have been much closer to the houses than it now is, and we have taken this into consideration in view of the protests we have received from the homeowners."

"We plan to narrow down the depth of the right-of-way along the highway edge to permit most of the trees to remain on the property because the department has a strict rule that all trees on the right-of-way be cut down. There are a few trees that don't have to come down, but not many."

Decided Safety Factor
Kronst said that the 42-foot median is a decided safety factor and that he has no intention of relinquishing the plan for a median of that size. Kronst previously explained that he would have preferred a 42-foot median all the way, but that the large number of dwellings which the state would have to buy along the other sections made the right-of-way cost prohibitive, thereby necessitating 18-foot strips on each end of the improvement.

Statistics Show, Kronst added, that on a four-lane highway without any median strip, traffic fatalities amount to 100% of the accidents on a given section of highway. An 18-foot median statistically reduces the fatality ratio to about 60%, and a 42-foot median cuts the fatality rate to 15% of all accidents. Greatest cause of accidents on a highway

Needs Gateway Approval
"We are all cleared away on these projects except approval of the plans by the East-West Gateway Coordinating Council," Kronst said. He added that highway officials will meet tonight with the Coordinating Council's technical committee to secure this approval.

As the officially designated agency for preparing and maintaining the overall comprehensive highway plan for the Illinois-Missouri Metropolitan area, the East-West Gateway Council must approve upon all projected highway plans in the area.

The grade separation project and the grading and drainage project were scheduled for construction this year as the only projects approved by the council.

Call Bids Oct. 28 For FA Route 151 Overpass, Grading

The Illinois State Highway Department will open bids Oct. 28 for almost a half-mile of work on Federal Aid Route 151--the Great River Road--immediately north of Granite City.

Robert Kronst, chief district engineer at French Village, told the Press-Record that the work will be included in the bid call to be issued next Friday by the highway division at Springfield.

The work on which bids are to be called includes construction of an overpass at the Illinois Terminal railroad crossing west of the A. O. Smith plant at an estimated cost of \$300,000; grading of three and a half miles of right-of-way from just north of West Ponton Road to Niedringhaus Avenue in Granite City at an estimated cost of \$397,000; and grading of a quarter-mile stretch of right-of-way from the end of the dual highway to a point north of West Ponton road at an estimated cost of \$30,000.

Industrial Unit Urges Alternate Values To Some Phases of Interstate Air Study

The full position of the Industrial Waste Control Council concerning recommended restrictions of the Interstate Air Pollution Study will be presented at public hearings to be held Oct. 11 and 19 by the East-West Gateway Coordinating Council.

The presentation, on the basis of previous testimony by representatives of the council, is expected to involve primarily a challenge of numerical values of sulphur-dioxide proposed for restrictive legislation by the Interstate Study.

Permit for New Grigsby Jr. High Sends Values Zooming In September

A building permit for the \$11.5 million Grigsby junior high school sent Granite City construction values for September zooming to \$1,718,683.

L. Wolf & Co. is the contractor for the school project which listed a total cost of \$1,565,578. The total for the month topped \$1 million when permits were issued for the park district's \$458,000 ice rink and the \$300,000 Tri-City Park Tabernacle with values totaling \$1,032,508. The September 1965 permits were \$746,000.

Fifty-three permits were issued during the month, including seven for homes, \$139,000; five for additions to homes, \$10,000; for garages and carports, \$15,038; 23 for remodeling and repairs, \$21,165; three for commercial purposes, \$25,700; and two miscellaneous for a total of \$1,718,683.

In addition, three permits were issued to raise dwellings at a cost of \$130.

\$353 Million U. S. Spending in Area in 1965-66

Cong. Melvin Price Saturday released federal spending figures for the Madison-St. Clair area, showing expenditures of \$353,351,599 in the 1965-66 fiscal year which ended June 30.

Price attributed the increase mainly to the area's participation in the previous fiscal year, this was an increase of 111%.

4 DAYS WITH A QUAD-CITY TRAFFIC DEATH

The Oct. 11 hearing will be held in the Lovejoy Library of Southern Illinois University. The Oct. 19 hearing is scheduled in the Community Center at Clayton, Mo.

Retained Air Expert
Cairns has pointed out that the waste council has retained Dr. W. L. Faith, a Los Angeles consulting engineer specializing in air pollution control problems, to assist in the technical study of air pollution. Dr. Faith is currently in London attending the International Clean Air Conference, but will be present to testify at the Oct. 19 hearing in Clayton.

Dr. Faith is a former consultant of the Los Angeles Air Pollution Control District, the United States Public Health Service, the Washington State Department of Health and about 20 other industrial and government groups throughout the country.

1967 United Fund Campaign Opens Today; \$367,000 Goal

Optimism prevails for the 1967 United Fund Area United Fund campaign which opens this evening with a kickoff dinner at the YMCA.

Carl Mathias, general chairman, and M. B. Mikolaj, co-chairman, said today the hundreds of volunteer workers are ready to launch another year's drive to raise funds for the 22 United Fund agencies that serve Tri-Cities communities and local servicemen abroad.

"Check Your United Fund Giving. Be sure you are giving enough for all the agencies to share," Mathias said.

"Mounting costs and increased needs of health and welfare agencies have led to the greatest need for your contribution."

The campaign goal in the history of the Tri-Cities Area United Fund includes two new appeals--Support of American Red Cross special services in Vietnam and disaster areas, and provisions for work being done by the American Social Health Association to fight organized vice and corruption.

Thomas Boker to Leave City, Quits Clean Air Post

Thomas Boker, 1515 Lindell avenue, chairman of the Granite City Air Pollution Control Board since its inception in June 1965, has resigned the post due to his transfer to a new government post in Washington, D.C.

Mayor Donald Partney said Boker's resignation will be presented to the city council at tonight's meeting. It will be effective tomorrow.

Boker said he and his family will leave Granite City in about two weeks for Washington where he has been assigned as computer specialist of the U. S. Air Force Department. Boker has been employed in computer programming at Scott Air Force Base for the past four years. Boker is a native and lifelong resident of Granite City.

Meanwhile, Henry Brienick, vice-chairman of the Granite City board, announced that Nov. 21 has been set for hearing a complaint against Granite City, Mo., involving emission of hydrogen sulphide at its blast furnace plant. On the basis of findings from a desk drawer in a burglary at the Ebling Furniture store, 1313 Eighteenth Street, Thursday night, the proprietor reported that the burglar had stolen a desk drawer and other items were damaged. Entry was gained by breaking a north-south window.

Electrician Hits 6900-Volt Line At GC Steel, Killed

An electrician was killed at the 6900-volt line of the old hot strip mill building at Granite City Steel Co. about 10:30 a.m. Sunday when he backed into a 6900-volt line.

He was Floyd E. Kuykendall, 49, who lived in St. Louis, a journeyman electrician employed by Guarantee Electric Co. of St. Louis, on the steel mill construction. His wife, Mrs. Willie Kuykendall, and children live in Norfolk, Va., and Mrs. Kuykendall is expected to arrive here today.

2.27 Inches of Rain Fell In Sept.; Down Half Inch

Rainfall in the Quad-City area, there was 26.65 inches of rain in 1965, compared to 2.27 inches in September.

The total for the month was under the 2.86 inches recorded during August and far below the 4.19 inches of rain in September of last year.

Daily amounts recorded during the month were Sept. 4, .09 inch; Sept. 6, .10 inch; Sept. 12, .08 inch; Sept. 15, .40 inch; Sept. 16, .04 inch; Sept. 20, .04 inch; Sept. 26, .26 inch; Sept. 27, .26 inch; Sept. 28, .01 inch; Sept. 29, .22 inch; Sept. 30, .18 inch.

32 Weekend Mishaps Include 5 Multiple-Injury Collisions

Twenty-one persons were injured in a weekend Quad-City area crash on a highway. Three men were injured seriously in Illinois Route Three Saturday. Thirty-two crashes were recorded, including five in which there were multiple injuries.

Two drivers alone in their cars were injured seriously in a head-on collision on Highway Three, two miles north of Granite City at 12:35 a.m. Saturday.

Burglars Strike At Ten Firms

Nineteen thefts reported in Quad-City Area During Weekend; Church Hit

Burglaries occurred at 10 Quad-City area business establishments as a report of 19 thefts were filed with local authorities over the week-end.

About \$20 in change was taken from a cash register and \$55 in pairs of shoes were stolen in a burglary at the Factory Outlet shoe store, 1304 Nineteenth Street, Thursday night. It was reported at 9 a.m. Friday. Entry was gained through a rear window. The loot included 40 to 55 pairs of assorted men's shoes and 15 to 20 pairs of basketball shoes.

Two Hurt on Bridge

Mrs. Lillian Brokaw, 66, of 2221 Grand avenue and a passenger, Mrs. Roberta Crawford, 26, of 2625 Edwards street, were hurt at 5:30 a.m. Friday when they westbound auto skidded off the bridge over the Mississippi River at St. Charles. It careened off the center rail, hit the steelwork and then was rolled back to the center.

Economy Flooring Buys Kahle Bldg.

The firm, which operates several stores in the Quad-City area, is planning to remodel its interior and exterior remodeling, with major improvements to the display windows and entrances on both the Niedringhaus avenue and the Delmar avenue sides of the building.

It Will Continue to Operate its Present Store at 1233 Nineteenth Street

The store building, vacant since the firm went out of business last year, was purchased from Earl Kahle.

The two-story brick structure contains 8000 square feet of space on the ground level and has a full basement and a second floor.

MORE ABOUT Industrial

of the Interstate Air Pollution Study," Cairns said.

"The study provides much useful data and is an essential first step in arriving at an intelligent, effective air pollution control program," he added. "The majority of the regulations suggested in Section Eight of the study are valid. We believe they should be adopted as they are now written."

"We do, however, have serious reservations about the numerical values assigned to some of the regulations. Compliance with these numerical values would either require a technology which does not presently exist or would produce a serious hardship without a corresponding benefit or advantage to the people."

Cairns pointed out that one regulation of the study intends to provide for such situations by allowing variances where the air pollution control body sees fit.

"We agree," he said, "that a variance regulation is a necessary part of any comprehensive air pollution control ordinance and should be adopted. But I think that it is important that you realize that the variance regulation means that the economic survival of some industries and processes would rest on the discriminatory judgment of the control agency."

"We believe that any regulations and numerical values adopted should be orders or rules which industry can realistically plan to meet and not have to rely on variances. Except for some cases that require special consideration, air pollution control should be a matter of law and not of individual judgment."

At the Oct. 11 meeting at the SLSW Campus, the technical study group of the waste council will discuss regulations that affect process emissions.

school art students competed in a poster contest and the Granite City high school debate team members have formed a speakers' bureau to make film chart presentations to local clubs and organizations.

Tri-Hi-Y clubs of the YMCA helped prepare the campaign materials, and the high school Junior Leadership Club under the direction of a student, Miss Joleen Hackney, placed United Fund signs on light standards along Broadway in Venice and along Madison avenue through Madison and Granite City. Boy Scouts placed the signs on light standards in downtown Granite City.

Poster Awards Tonight

Tonight's kickoff banquet, with over 100 workers expected to attend, will be dicker-treat and will be highlighted with the presentation of \$50 U. S. Savings Bond & \$25 Savings Bond and a \$10 cash award to the poster contest winners, as well as the flip chart presentation by Tony Papp of the high school debate team. It is entitled "The Modern Symbol of Service."

George Eubanks of the Granite City Army Depot will be master of ceremonies, and there will be remarks by Mathias and Joseph Glik, president of the U.F. board of directors.

Entertainment will be provided by the Marauders, a YMCA company of high school students.

Other features of the kickoff banquet will be the showing of a United Fund film, "The Part You Play," with E. G. Marshall, TV and film star.

Mathias will present the poster contest awards, furnished by the Granite City Trust & Savings Bank and the First Granite City National Bank.

The winners are—First, Miss Gail Schermer, a senior at Granite City high school.

Second, Miss Starline Handley, a junior at Venice high school.

Third, Darrell Grindstaff, a senior at Granite City high school.

Rites Held For Youths Killed in Car Crash

Funeral services were held Saturday for Benjamin Lee Bosworth, 18, and Michael De Yong, 19, Madison youths who were injured fatally in an accident in Jerseyville last Wednesday night.

Services for Bosworth were held at 9 a.m. Saturday and services were held at 1 p.m. for DeYong. Both were occupants of a car driven by Frank Broyles, 19, of 2000 McCasland avenue, Madison, who is in critical condition in Barnes Hospital, St. Louis.

Inquests into the deaths are expected to be scheduled this week in Jerseyville, where DeYong was pronounced dead and in Alton where young Bosworth died at St. Joseph's Hospital.

Broyles was reported improving and "resting comfortably" today.

Mrs. Long Stricken Fatally at Age of 71

Mrs. Mabel Long, 71, of 2236 (rear) Edwards street was stricken at her home and was pronounced dead upon being taken to St. Elizabeth Hospital at 9:45 a.m. Saturday. She had been under medical care.

Born in Reedsville, Mo., Mrs. Long had been a Granite City resident 56 years. She was a member of the Maryville Road Pentecostal Church.

Her husband, George D. Long, passed away 19 years ago. She is survived by a son, Ralph Long, Granite City; one brother, Isaac Long, Granite City; a sister, Mrs. Edna Pauline of Sarreeta, Ill.; and one grandchild.

Funeral arrangements are given in the obituary column.

Short Illness Fatal to Mrs. Opal Hansel, 64

Mrs. Opal C. Hansel, 64, of 2439 Lincoln avenue died at 5:30 a.m. Saturday at St. Mary's Hospital in Clayton, Mo. A patient there five days, she had been ill nine days.

Born in Madison, Mrs. Hansel was a lifelong resident of the Quad-Cities. Her husband, Hugo, a Terminal Railroad Association clerk, preceded her in death Nov. 25, 1965.

Survivors are a daughter, Mrs. John (Norma) Ruhl, Granite City; two sisters, Mrs. Viola Magness, Collinsville, and Mrs. Edna Murphy, Granite City; and three grandchildren.

Threatens Partygoes With Gun, Arrested

Rico Bracy, 23, of 1012 College street, Venice, was arrested by Venice police on a charge of aggravated assault early this morning after Bracy allegedly threatened a group of people false alarm.

With a gun and said he would kill them if they did not leave the party.

The incident occurred about 4:30 a.m. Sunday at the home of Bracy's former wife, Mrs. Rosemary Bracy, 1014 College street.

Police reported Bracy broke into the party, produced a pistol and threatened the partygoers at the party. He fled when police arrived and was arrested at 12:05 a.m. today. The complaint was signed by Richard Jordan and Wilhelmus Rockett.

Bracy was released on a notice to appear at a magistrate's hearing at Oct. 13.

Delmar Ave. Accident

Autos driven by John Fernbach, St. Louis, and Azalea H. Whitherspoon, 24 Lee Wright street, Venice, were involved in an accident at 4:45 p.m. Friday in the 1800 block of Delmar avenue.

Early Morning Alarm Merely Rubbish Fire

Firemen from the main station were called to the rear of 2736 Washington avenue at 5:55 a.m. on what proved to be a false alarm.

A woman residing on Ralph street looked out her kitchen window and seeing flames thought a neighbor's garage was ablaze.

The fire was a pile of rubbish being burned, firemen discovered.

Two Women Charged with Assault in Venice Fight

Rashelle Johnson, 46, of 1006 Douglas street, Venice, and Pearl Jackson, 42, of St. Louis, were arrested by Venice police about 10 p.m. Saturday following a fight in Garrett's tavern in which the Jackson woman was cut on the right hand with a knife. Both women were charged with assault.

Police reported the Jackson woman was in possession of a kitchen fork when she was arrested, but said the Johnson woman had removed the car accessories as a joke.

Vandal Throws Acid on Parked Car in Venice

An auto owned by Stan Schwander, Maryville, was damaged extensively Saturday when a vandal doused it with a strong acid. Venice police reported. Schwander, a foreman at Dow Chemical Co., said the damaged occurred while he was working the 4 p.m. to midnight shift.

The acid was thrown on the top of the right side, ran down the side of the car and also damaged the bumper and trunk. The car was parked inside the main gate and in the main parking lot of the Dow plant.

Joke Nearly Backfires

A report that two chrome fender skirts valued at \$75 had been stolen from his auto while parked outside his home was made by Gene Kuenhnel, 1719 Delmar avenue, at 12:22 p.m. yesterday. The complaint was withdrawn 20 minutes later when Kuenhnel's wife informed police they had discovered a group of friends had removed the car accessories as a joke.

United Fund's Visiting Nurses Aid Many Quad-Cityans

Registered professional nurses with special training in public health nursing provide care and treatment to many Quad-Cityans who are confined to their homes or are unable to visit the doctor's office. The nurses are members of the Visiting Nurses Association, one of 13 participating agencies in the Tri-Cities Area United Fund.

Each patient administered to through the visiting nurses program must be under the direction and supervision of a qualified physician, who refers the patient to the association for home care.

Rehabilitation nursing also is available, with the trained professionals using physical therapy to assist patients to regain their self-sufficiency or to require a minimum of care. Patients are asked to pay for visits received, but fees are graduated according to financial status of each family.

1533 Visits Here
The Association reports that 1533 home visits were made in the Quad-Cities in 1965, of which more than 40% were carried out without fees being charged. In the latter case, the cost is underwritten by the United Fund allocation.

More than 500 free visits were made to indigent persons here, while 290 visits involved partial payment, usually \$1 or \$2, for necessary services. A total sum of \$732 was received by the Association from Quad-City patients who could afford to pay part of the costs.

A portion of the nurses fees involving cancer and rehabilitation cases also is subsidized

through other agencies, such as the Illinois department of public health, Cancer Foundation and Rehabilitation Funds, on a contractual basis.

Services Offered
Services offered include bed-side care or treatment on an hourly basis, occupational therapy, patient rehabilitation for

those persons who have suffered strokes, undergone amputations or are under treatment for cancer.

Other services include speech therapy, securing diagnosis and treatment of persons not under the care of a physician, with this service limited to one visit. Long-term observation of tubercular

patients, suspected tubercular persons and those who have been in contact with someone infected with the illness also is provided. The visiting nurses give demonstrations in the care of a patient and maintenance of sick-room equipment on a short-term loan basis.

The Visiting Nurses Association also is responsible for providing services to most of St. Clair county, including Belleville and East St. Louis.

Their total 1966 budget was \$62,025, of which the Tri-Cities United Fund contributed \$4300; East St. Louis United Fund, \$28,500; and Belleville United Fund, approximately \$3000.

The latter figure is incomplete as payment allocated from this source is dependent on the number of pledges directly assigned to the Association and is received on a quarterly basis.

Costs, Staff
The cost of visiting nurses service was \$5.40 per hour in 1965, but was increased to \$6.50 per hour in March of this year. Nine registered nurses are now employed by the agency which has its headquarters at 4601 State street, East St. Louis. Also on the staff is a full-time director, Mrs. Lucille Tucker RN, and a secretary, Mrs. Raymond F. Moore serves as association president.

The nurses assigned to the Quad-Cities are Miss Mabel Harrison of Madison and Miss Betty Haynes of Caseyville, who serves as rehabilitation supervisor.

Home visits in the Quad-City area comprised 14% of the total number of calls made by the Tri-Cities Area United Fund allocation covering 10.8%. The remaining funds were obtained through contractual agreements, the director said.

A. O. Smith Corp. Cuts Production Staff by 300 Men

A. O. Smith Corp. reduced its work force by about 300 men on Friday due to a reduction in orders for frames for the regular model Chevrolets.

A spokesman for the company said four production lines have been in operation and with the end of shifts on Friday, the production schedule was trimmed to three lines.

Before the layoffs, the auto frame plant employed 1750 production workers.

The reduction in orders is blamed on the forecast by the auto manufacturer that buyers of 1967 Chevrolets will favor special models over the regular model. The local plant manufactures frames for the standard Chevrolets.

NO ELEMENT OF CHANCE
"Calculated risk" seems to be a popular phrase for old-fashioned "gamble." But there's no place for either in preparing or dispensing pharmaceuticals. Ever notice the letters U.S.P. or N.F. on a medicine label? The letters represent two official books that are recognized by federal law—the United States Pharmacopoeia and the National Formulary. Together they are the pharmacist's "bible." They give approved standards of the quality, purity, and potency of most medicinal agents. The bride was given in marriage by her father.

She wore an Empire gown of white peau de soie and Alencon lace. The neckline of the bodice and the short sleeves were embellished with reemebroidered Alencon lace as was the long slender skirt.

A full, oval shaped train of peau de soie swept from beneath a lace yoke and a headpiece of lace petals outlined with smaller petals secured the bride's bouffant tiered veil of illusion.

She carried a bouquet of lilies of the valley and stephanotis centered with a cluster of yellow tea roses.

Miss Ruth Kellogg, a sister of the bride, as maid of honor, and Miss Pat Ennis, Miss Edna Wahrenburg, the bridegroom's sister, Miss Carla Romano of Carbonate, a former roommate of the bride at Southern Illinois University, bridesmaids, were dressed alike in Empire gowns with willow green Clancy lace bodices and straight beige crepe skirts. Matching green petal hats and green veils completed their costumes.

They carried ball bouquets of white and autumn orange with loops of wide ribbon.

A junior maid, Annette Peterman, a niece of the bride, and a little flower girl, Michelle Peterman, another niece, were dressed like the older girls. They held small bouquets of the same flowers. A nephew, Thomas Peterman, was junior groomsman.

Others in the wedding party were Darrell Lindsey, best man, and Robert Ennis, Steven Schardan, George Sibtrop, Don Rousseau and Davis Rousseau who made up the list of groomsmen and ushers.

Mrs. Kellogg selected for her daughter's wedding an aqua ensemble, an A-line dress with matching coat, while the bridegroom's mother chose a gold and brown costume with beige accessories. Both wore corsages of yellow tea roses.

The newlyweds left after the reception for a honeymoon in Springfield.

Both young people are graduates of the local high school and the former Miss Kellogg attended Southern Illinois University. Mr. Wahrenburg enlisted in the U.S. Navy after graduation and was discharged in 1964.

RETURN FROM SOUTH

Arrest Second Man In Liquor Theft

Venice police arrested Charles Mitchell, 25, of 315 Watson Road, Eagle Park Acres, yesterday morning, as a suspect in the theft of a large quantity of liquor from a storehouse in the rear of Madison Garrett's tavern at Douglas and Weaver streets on Sept. 25.

Police arrested Vernon Adams, 31, of West Madison, as he fled the scene of the burglary. Adams surrendered after officers who were chasing him fired one shot. He gave police a signed statement in which he implicated Mitchell and two other men. Police recovered 72 half pints of whisky from a weed patch near the scene of the theft.

Mitchell was held in the Venice city jail this morning on a charge of theft over \$150. Bail was set at \$500 under a warrant signed by Madison Garrett, co-owner of the tavern.

Others present were Mesdames Maybelle Kinde, Pearl Griffin, Frances Westbrook, Juanita Williams, Norma Dard, Norma Jean Angle, Alberta Effingham and Nelda Nichols and Misses Helen Walker and Linda Teller.

I See by the Papers

John W. Allen
Southern Illinois University

All this comes from having been, two weeks ago, a guest at a family reunion in Old Shawneetown, a place that now is only a pitiful remnant of what once was among the busiest and most important river ports on the Illinois length of the Ohio River.

Upon returning from the picnic it was decided to have a look at some Shawneetown papers, that being a custom after visiting almost any town. In this case the papers available were more than 110 years old. Even so the reading proved interesting and did much to bring ghosts back to the old town.

The one who says, "About the oldest news is that in yesterday's paper," is at least partially correct when he means that of the preceding day. If, however, his "yesterday" is used to indicate a period of time a century or so earlier he frequently can be wrong.

Old News Becomes New

It appears that news can be so old that it again is new, or better to say has become his. The above conclusion was reached after reading from old copies of the long vanished Southern Illinoisian that began in Shawneetown in 1832, propped for some years and vanished more than a hundred years ago. The copies printed on rag paper.

Long Division Applied
Using a bit of long division an effort was made to find the cost of whiskey per drink. It was found that at 24 cents a gallon raw whiskey cost three cents a pint. The cost of a drink was found to be about eight to nine cents at a cost of three and three quarter mills per swig. Perhaps that explains why men drank more then than now. If they did.

Out of town merchants advertised in the Shawneetown paper. One from Raleigh had 18 gallons of "pure Irish whiskey." He also had on hand some quarter casks and half pints of Pilsener Beer, but it came at \$1.25 a gallon. He also had barrels of whiskey of the unnamed variety, 50,000 assorted cigars, bottled snuff and chewing tobacco. In addition he had barrels of fresh flour and 80 bushels of clean clover seed.

Butter—11-Cents a Pound
A man with a press in Equality wanted to buy 10,000 bushels of castor beans, offering 90 cents to \$1 a hundred. Docker, a merchant in Shawneetown, wanted to buy ginger, beeswax, pink root and feathers. He sold for 33 cents a bushel. Butter went at 11 cents a pound. Rio coffee was 11 cents a pound. Java 14. Docker also had a large stock of barrelled whiskey.

A medical school with a faculty of nine in Evansville, advertised for students. Their full term charge was \$75. Those wishing a diploma were assessed another \$20. A ticket allowing the student to observe in the hospital cost an additional \$5.

They were assured that good board could be had for a cost that ranged from \$1.50 to \$3 a week.

The entire course ran about six months. Thus it cost approximately \$200 to become a medical practitioner.

Another medical school with a faculty of eight, offered a medical education at about the same cost. For those who would forego the services of a physician a book dealer offered

a book, "Be Your Own Doctor" for 25 cents.

Miscellaneous Items
Coppers, indigo and madder were available for dyeing cloth. Tallow candles and tin lanterns were in stock. One merchant had 20 gross wooden boxes of matches, 40 barrels madder, 25,000 choice Havana cigars, 75,000 G. D. percussion caps plus 20,000 S. B. of the same. What does S. B. or G. D. mean?

Extraordinary claims were made even then for patent medicines. Hydroxyper could cure scurvy. F. A. Fabnestock's worm syrup would rid youngsters of the pests. Dr. Latimer's Cholera Drops took care of that scourge. Laudum, paregoric and Bateman's Drops relieved the child's colic.

The Democrats had a flagpole 164 Garesche, Madison, and one only 135 feet in length. That of the Whigs was spliced. Doubtless the other also was.

On May 11, 1835, Malan's Grand Combined Menagerie came floating by. It had a white bear, "the only one in America," that cost \$4500. It also had six lions, some camels and an elephant named Remo, recorded elsewhere as one of the noted touring elephants of America.

Life in Shawneetown in the 1830s surely was not dull when you go there to picture the town in the days of its glory.

Prize winners in pinocle games were Mrs. Virginia Ahrens, first and 100 aces, Mrs. Wenona Kibort, second, Mrs. Anderson, third, and Mrs. Ruth Orr, fourth.

A late dessert course was served by the hostess to the prize winners and Mrs. Vivian Sharp, Mrs. Mary Helton, Mrs. Darlene Simpson and Mrs. Doris Barton. Mrs. Barton will entertain the members for their next meeting Oct. 26 at her home in Mitchell.

HOMEMAKERS ATTEND OFFICER TRAINING

An officers training school was held Thursday from 1 to 3 p.m. at the Farm Bureau building in Edwardsville for officers of all Homemakers units in this area.

Mrs. Fred Andrews, county chairman, opened the meeting and introduced county officers.

She spoke on the responsibility and duties regarding each office, and conducted a mock meeting to further explain the proper manner in conducting a unit meeting.

Mrs. Catherine Mauck, Madison county home advisor, gave a brief talk encouraging the officers to continue their work. She also gave the source of funds for the budget and told how they are spent during a one-year period.

The women then divided into groups according to their particular office and were instructed on how their offices should function.

October has been set aside as membership drive month, and those interested in joining a unit may visit as guests at a regular meeting or contact a member for more information.

Those attending from the Granite City unit of the Madison County Homemakers Extension Association were Mesdames Rufus Ramsey, chairman, and Frank Pare, Raymond L. Urant, Arthur Ringering and Robert Carroll. Their next meeting will be Wednesday at noon at the Mount Zion Baptist Church on Benton street.

Members of the Isabel Bevier unit present were Mrs. Helen Cuvar, chairman, and Mrs. Angie Broun and Mrs. Helen Cuvar. Members of this unit will hold their next monthly meeting Oct. 27 in the home of Mrs. Mary Chesney, 4033 Rode avenue.

Madison Parish Holds Anniversary Dinner

About 60 persons attended a chicken dinner at St. Mary's Greek Catholic Church, Madison, on Sunday in observance of the 57th anniversary of the parish. The dinner was preceded by the Liturgy celebrated at 10 a.m. by Rev. Michael Skordinsky, pastor, assisted by Rev. Patrick Hoffman, a seminarian at Kenrick Seminary, St. Louis. Ladies of the parish prepared and served the dinner.

Set Fire to Bedspread

Boys set fire to a bedspread hanging on a clothesline at the home of Mrs. Rosalind Jenkins, 1215 Calhoun street, Venice, according to a report to Venice police at 8:25 p.m. yesterday. Firemen were called to the scene to prevent the fire from spreading. Police said they conferred with parents of the boys.

Girl, 9, Hurt in Fall Into Meter Hole

Mrs. Anthony Divietto, 2804 Dale avenue, reported to police at 8:15 p.m. yesterday that her daughter, Jeanette, nine years, had fallen into an uncovered water meter hole, while playing at the front of the home. A police officer sent to investigate reported the meter cover was lying next to the opening.

The child, who sustained reddened areas on the right thigh, was helped out of the hole and taken home by ten-year-old Paula Summers, daughter of Mrs. Nancy Summers, 2825 Dale avenue.

Masonic Past Masters Honored at Observance

Past Masters of Triple Lodge 835, AF&AM were honored Saturday in an evening dinner session marking the 72nd annual Past Masters' Observance at the Masonic Temple, 20th street and Cleveland Blvd.

John R. Murphy, Eldorado, Ill., junior grand warden of the Grand Lodge of Illinois, was principal speaker. The program opened with dinner at 5:30 p.m., served by members of the Granite City Chapter of the Order of DeMolay. One hundred fifty persons attended.

The address of welcome and opening remarks were made by Harry G. Sharp, now Worshipful Master of the Granite City Lodge, followed by introduction of past masters.

Response in behalf of the past masters was made by John W. Banks, past master of 1944. Rev. Dr. A. Ralph Lynn, formerly of Granite City, gave the invocation and benediction.

The lodge lists a total of 61 past masters since the 1894-95 year, 25 of whom are deceased. Cecil L. Painter, now of Garden Grove, Calif., was the oldest member in point of service to attend and also the member coming the longest distance to attend. He was past master for the 1934 year.

PROMOTION PARTY

Dr. Bill Richardson's beginner Sunbeam band of Grace Baptist Church, had their last meeting of the year with a promotion party at the church on Wednesday evening.

Those promoted from the nursery were Lisa Williams, David Frith, Lisa Thompson, Keith Miles, Patty Lewis and Sally Hand. Others of the group were Steven Joyce, Jeffrey Parker, Beverly Jarrett and Joey Lewis.

Beginners promoted into the primary were Kevin Hartsock, Larry Welt, Richard Price, Connie Funkhouser and a Philip Whitehead.

During the party there was a story by the assistant leader, Mrs. Shirley Perryman, and the group sang songs and gave prayers.

Miss Jane Davis, the nursery leader, gave a blessing before refreshments were served to this group and also the younger nursery children by Mrs. Wendy, this year's Sunbeam director, and her daughter, Frances, and Mrs. Shirley Perryman.

The nursery children attending were Linda Welty, Kathy Joyce, Dana Fanning, Keith Jarrett and Carla Tidwell.

In another room of Grace Baptist on Wednesday evening Mrs. Evelyn Thompson, last year's Sunbeam director, told a story for the primary children assisted by Mrs. Earlene Lewis. This group sang songs and played games.

Mrs. Betty Welsh, New World Friend leader for next year, told of coming activities assisted by Sue Ann Welsh.

Primary members promoted into World Friends were Susan Welty, David Price, Stephen Lewis, Karen Keel, Brenda Fanning and Sharon Tidwell. Remaining in the group are Cheryl Fanning, Darrell Pare, and Jeffrey Perryman.

Promoted into the Junior Girl's Auxiliary were Vicky Welty and Debbie Carver.

Susan Welty gave the blessing before refreshments were served to the primaries and their guests.

TROOP 704 MEETS

Junior Girl Scout Troop 704 met Friday in the cafeteria of Webster school with their leaders, Mrs. Pat Eaton and Mrs. Pat Emring.

The meeting opened with the Girl Scout Laws, and it was decided by the troop to visit the fire station next week. An open court of honor was held with girls from each patrol and the treasurer and scribe and Mrs. Eaton.

JoAnn Head was appointed Juliette Lewis chairman for the troop, and the girls were told to watch the Girl Scout program channels on Thursday evenings for the next seven weeks.

The girls adopted a Girl Scout law, "A Girl Scout is a friend to all and a sister to every other Girl Scout," and are going to use a sister Scout system in the future. The troop finished making cancer bandages and turned them over to their leaders. A

MISS SUZANNE LEE HUMPHREYS, whose engagement to Charles W. Dick a son of Mr. and Mrs. Lon Dick of Ashland, Ala., is announced by her mother, Mrs. Norman H. Rensing, 2134 Woodlawn avenue.

Miss Humphreys Is Engaged

Announcement is made of the engagement and coming marriage of Miss Suzanne Lee Humphreys, a daughter of Mrs. Norman H. Rensing, 2134 Woodlawn avenue, to Charles W. Dick, son of Mr. and Mrs. Lon Dick of Ashland, Ala. The wedding of the couple will take place Dec. 3.

Miss Humphreys is a graduate of the Granite City high school and Gradwohl School of Laboratory Technicians. Her fiancé was graduated from Bibb Graves high school in Millerville, Ala.

Alumni Registration At GCMS Friday Night

An attempt to reactivate the Granite City High School Alumni Association will be made at the school's homecoming football game Friday night.

Graduates will be able to sign up for \$1 memberships for 1966-67 at a booth at the stadium. A meeting will then be held later in the fall to formally reorganize.

Careless Driving

A careless driving charge was placed against George A. Lynn Jr. of Apt. 81, Greener Homes, Madison, after he was arrested by Granite City police at 9:35 p.m. yesterday at Nameoki road and Highway 162. He is to appear by Oct. 19.

Mrs. Colette Anderson, Mrs. Barbara Miller, Mrs. Beverly Singleton and Mrs. Alma White. Mrs. Barbara Miller invited the group to her home for their next meeting.

Fire Destroys Local Barber's Home at Witt

A local barber, Ernest Hutchins, is in need of home furnishings and clothing for his family of six children after a fire completely destroyed their home and belongings in Witt, Ill., last week.

Hutchins works at Jack's Midtown Barber shop, 1310 Twenty-second street.

Temporarily, he and his family are residing with relatives in Witt. They were in the process of selling their home at Witt and buying a home in Troy when the disastrous fire occurred.

Their children are—Steve, 12, David, 11, Vicki, 8, Susie, 7, Terry, 6, and a two-year-old infant.

flowers, surrounded the wedding cake flanked at either side with candelabra and the smaller tables were centered with yellow roses. Arrangements of yellow roses and white flowers were used on the bride's table and candles at each end were intertwined with greenery.

After a honeymoon at the Wagon Wheel resort in Rockton, Ill., the couple will reside at 2108 Johnson road. Both young people are graduates of the Granite City high school, and the bridegroom is employed by Granite City Steel Co.

Roberts, 26, of 2223 Washington avenue, Saturday in 1700 block of Edwardsville road, and William R. Wright, 23, of St. Louis, 4:30 p.m. Saturday at Eighth street and Madison avenue.

All posted bonds pending hearings in magistrate's court on Oct. 19.

Electrician

back of his head touching it. The crew foreman, Elmo Crump, and supervisor, Walter Puckett, immediately began giving Kuykendall artificial respiration while others summoned aid.

An ambulance driver radioed the fire department for its inhalator and the hospital for a doctor.

Firemen and the doctor scaled a metal ladder on the building to get to the fallen man. After the firemen put the inhalator into operation, it was determined that Kuykendall was dead, and he was lowered from the roof.

An inquest is pending and will be conducted either late today or tomorrow by Deputy Coroner Robert Thomas.

Battery Cables Cut

Al Barnes, 300 Franklin avenue, reported at 7:35 a.m. today that battery cables in an auto owned by the Tri-City Grocery Co. were cut while it was parked at his home during the night.

Fumbles Befuddle Madison in 7-7 Tie With Tough Berkeley Bulldogs

A sudden rash of fumbles Friday night bested Madison's Trojans, who hung on for a 7-7 tie against a tough Berkeley Bulldogs team on the Trojan field.

In all, the Trojans fumbled seven times, five recovered by Berkeley. The Bulldogs finished the ball away once.

Commenting on the fumbles, Madison coach Glen Pickering said, "It may have been the cold air and dampness. But the ball was just as it was for us."

Tough Team

Pickering was complimentary of the Berkeley team: "I think they're the toughest team we've played yet, and they pretty well represent Missouri football. There are some good teams over there," he commented.

The turning point, according to Pickering's thinking, came in the third quarter when Berkeley quarterback Dave Borrok tossed a screen pass to Ray Robinson for a 35-yard touchdown play.

"I saw them execute this same play last Saturday when I scouted them during their game at Riverview Gardens," Pickering said. "Only Riverview had a tackler there and we didn't."

A profusion of things to come might have been seen in the opening series after Madison received the kickoff. Sam Jones immediately fumbled as the first play got going, but he quickly recovered.

In three more plays the Trojans had a first down, Berkeley sustained a 10-yard penalty, and with Jones and Ron Burt alternating, Madison drove into Berkeley territory.

Steve Geroff tried a pass, one of 10 Madison attempts, but Don Nelson batted it down. Burt and Jones gained another first and ten and Madison was on the Berkeley 20.

Fumbles, Fumbles

Burt, engineering another of his short gains, fumbled but quickly fell on the ball. On the next play, it was a Berkeley player punting on a Madison fumble.

Madison recovered a fumble and just as quickly fumbled again.

Berkeley began its first drive with Jeff Johnson and Dave Smith sharing the ball carrying. Stout defense blunted the attack and Berkeley punted.

Burt shot up the line on three steady runs for a first-and-ten, but Madison's Marv Owen had to punt as the quarter ended. Berkeley punted to Madison with 11:15 left in the half.

Madison Touchdown

A punt on which Madison was to instantly light up its score board began with Jones picking up five yards.

Corey pulled back to pass and fumbled but fell on the ball. On the next play, Garoff drove back on five yards.

Director of Public Safety Ross W. Randolph spoke concerning technical problems faced by today's modern law enforcement officer.

Attending as a guest of the Granite City officials was Howard Steppokite.

Police in Pistol Match at Menard

Chief of Detectives George C. Teller and Police Officers Albert Dink, Allan LeMaster and Elwyn Dickey of Granite City competed Thursday in a "300" center fire pistol match sponsored by the Interstate Police Pistol League, held at the Menard Range, Menard Penitentiary.

Teller fired a 694 to take the first-place sharpshooter trophy and Dink fired 681, taking first-place marksman trophy. Gary Peterson, who fired 685, took third place. The match was attended by 21 police officers and guards from a host of Illinois and Missouri.

The match, the officers attended a meeting of the Illinois Police Officers Association, Executive Division, held at the women's college, where refreshments were served.

and hit Titus Shipp with a beautiful pass.

Shipp jumped over a couple of Berkeley players and straddled the north sideline all the way to the Berkeley 10-yard line.

A combination of a short thrust, first by Burt and then Jones, resulted in the Trojan TD as Jones went over from the four. Owen attempted a PAT kick but offside fouls in the attempt and Burt then ran the ball across.

Shipoff Intercepts

The teams exchanged kicks. On the first play after Berkeley received a punt, Nelson tried a short pass and Shipoff intercepted it.

Burt picked up a quick gain and a penalty on Berkeley made things brighter up for Madison. Jones carried once and then Burt took over and nearly fumbled.

Geroff tried a pass and was thrown for a loss. Madison had to punt with 2:25 left in the first half.

The Bulldogs, after taking advantage of a 30-yard penalty against Madison, gained a first-and-ten on three plays, but it cost them.

Nelson star quarterback, was injured when the tried to block. He was taken to the hospital, one of the heavy Trojan linemen, suffering a shoulder separation. This temporarily put Dave Keller into the pass throwing slot before Berkeley punted again.

Goal Line Stand by Trojans

The fumble bug continued to haunt Madison as the second half got rolling. Berkeley received but had to punt after four plays with 10:06 remaining. Madison gained on the first play with 10:06 remaining.

Berkeley punted to the Madison line, where again the Trojans let go of the ball.

Borrok carried for two yards, Jackson carried for a short gain and the Trojans took the lead. But the Madison line held.

Jones carried the ball out of the end zone and Burt picked up short yardage on two runs but could not gain a first down, forcing the Trojans to punt.

Failing back and being nearly trapped, Borrok tossed a screen pass over the line of scrimmage. Robinson grabbed it and several temporarily frustrated Trojans and scattered 30 yards for a PAT.

Corey LeMaster's first attempt at a PAT was blocked, but Madison was offside. The next attempt elicited and the score was knotted 7-7.

Step Up Air Attack

Madison then began a more concentrated air attack but bogged down.

Berkeley, with Jackson at quarterback and Burt taking two passes, also was forced to punt.

Madison's Marv Owen had to punt as the quarter ended. Berkeley punted to Madison with 11:15 left in the half.

Madison Touchdown

A punt on which Madison was to instantly light up its score board began with Jones picking up five yards.

Disorderly Conduct

Joe Zlat, 40, of 2137 Fourteenth street, was arrested at 10:30 p.m. Saturday, and charged by police with intoxication, using profane language and disorderly conduct. No hearing date was set.

After Jones tried a short run, Geroff attempted a pass. Madison was carried for taking too much time and the quarter ended as Jones carried down to the Berkeley 33.

Three days into the fourth-and-one-foot situation as Madison again started to roll. Burt passed to Geroff, who was rammed into the Madison bench by a Berkeley player.

A clipping penalty was called against the Bulldogs and the Burt-Jones combination began to click again. But with 8:37 left, the attack slowed down and a Statue of Liberty failed to mystify the Bulldogs.

Madison was unable to roll, with Borrok trying three passes. Geroff ran a punt back to midfield for a 37-yard carry.

Jones carried once and Burt picked up ten yards. A penalty against Berkeley was called momentarily and, at the 17-yard line with four yards to go on fourth down, Marv Owen tried a field goal.

With 4:43 remaining, Jackson found a hole in the Madison line and slipped 80 yards into the end zone.

The crowd was immediately and pleasantly surprised to see the touchdown called back on a clipping infraction.

This forced the Bulldogs to try to score from midfield, and Borrok was unsuccessful with three passes. Madison was penalized for pulling on the line and successfully carried one play later on fourth and four.

With only minutes remaining, Berkeley called a timeout toward the Madison goal, picking up two quick first downs. The Bulldogs were stalled on the 12 and with 1:26 were faced with a fourth and eight situation.

The Madison line held again and the Trojans took their 33 seconds showing in the clock. Jones tried a play and, before another timeout, he sustained a penalty just as the horn blew.

Prather Hands Webster 25-0 Pounding Here

Scoring a touchdown in every quarter, Prather and his Chiefs rebounded from their opening drubbing at the hands of the Bulldogs. Prather's victory of Collinsville 25-0 at Prather Thursday.

Stan Corey went 10 yards around end for the first-quarter tally and repeated with a 25-yard end run in the second frame. Extra-point attempts on the first two TDs failed.

With Webster never penetrating beyond the Chicago yard line, Prather scored his next TD when Richard Lesko drove up the middle on a five yard play. Dennis Reutebach led the extra point.

In the final quarter of a game that saw all 43 Prather players getting into the act, Don Sutch found a hole off tackle for a five-yard TD run.

Offensive leaders and yardage credited to them were Sutch 87, Corey 67 and Lesko 34. Defensive Russ Gray and Corey had 10 tackles. Richard O'Neil, Randy Hayes and Lesko had seven tackles each.

Prather will next encounter North of Collinsville in a 4 p.m. contest Thursday in Collinsville. Coaches Ray Fyvala and Al Semmerby were joined with the Chiefs' showing against Webster, which had earlier shut out Assumption junior high, 6-0.

Collinsville in 3-1 Playoff Victory

Collinsville continued to move toward its third consecutive Southwestern Illinois Inter-City Vernon Lucas Cup baseball playoff championship yesterday with a 3-1 win over Pocahontas.

The relatively lopsided contest saw the Mottor Motor team pass across a trio of runs in the fourth inning after two out. This moved the best-of-two series to Pocahontas next Sunday.

Warrior Varsity Gets Second Win In Harrier Meet

Granite City's cross country Warriors scored their second victory of the season by beating Edwardsville here Thursday afternoon. The varsity score was 24-31. Edwardsville won in 1965, 23-33.

Tiger runner Mike Combs' 10:32 over the Wilson Park course took the varsity end, but he carried a thrilling shoulder-to-shoulder final mile duel with Warrior Dave Lomax.

Lomax' second place time also was 10:32. Other Warrior finishers were Joe Pashea 3rd, 10:45; Gus Schalkham 5th, 10:56; Rick Hull 6th, 11:00; and Mike Welser 8th, 11:06.

Dick Burrows took the jayvee set with a 11:26 clocking. Warrior jayvee finishers were Mark Pasha 4th, 11:37; Tom Oram 5th, 11:42; Alex Tarpoif 6th, 11:44; Tom Neuber 8th, 12:13; and Mike White and Dennis McGee, 10th, 12:14.

Coach Dick Harmon's elation over the good showing of the Warriors was slightly subdued as he spoke on the next occasion. "We travel to Cahokia tomorrow," he said, "and I see where they are going to be very strong. But our boys have been coming around, too," he ended hopefully.

Warriors Lead Kahoks in Opening League Grid Game But Bow 13-12

Bad weather, combined with a one-weekend offensive change, allowed Collinsville to squeak by the Warriors 13-12 Friday night at Collinsville.

Warrior Coach Jim Morrison said afterward, "Don't panic. We have one of the best teams in the conference—we're just not clicking."

Morrison told the Press-Record that the Warriors played a better ball game against the Kahoks than they did against Cahokia or Madison.

He added that the Warriors still should end the season with a winning ball club, despite their current 0-3 record. Collinsville also had ended Friday's game with an 0-2 record.

Run by Gauen Sets Stage

Both teams were scoreless in the first quarter, but five minutes into the second quarter—in 30 seconds and a total of only four offensive plays—Warrior TDE were scored two by Granite City and one by Collinsville.

After the Granite City defense had held the Kahoks, Warrior Keith Gauen gained 65 yards on a punt return to the Kahok's five. On the next play, Dan Partney ran over right guard to the one-yard line, from where Steve Conway, on a quarterback sneak, scored the first TD.

Warrior defense forced the Kahoks to punt from their own 30. On the next play, Dan Partney punted, giving Granite City possession of the ball on Collinsville's 30.

Pass Produces Touchdown

On the first down, quarterback Conway sprinted to the right and hit Ron Sheppard with a 10-yard pass on the Kahok's 10-yard line. The remaining yards for the

Warriors' second TD, making the score 12-0.

On the first extra point attempt, Dan Partney had kicked with the ball going wide to the right, missing by 3 feet. Partney, who had something in one eye, ran the second attempt, but was stopped short of the goal line.

Collinsville scored its first TD on the first play after Granite City kicked to the 42. A 59-yard pass play to Steve Heimkamp, Kahok quarterback, to Hallback Dan Cox gave the Kahoks their first TD. The score was 12-6.

During the third period, the Warrior defense held the Kahoks, limiting their longest gain on the ground to seven yards.

Loose Ball and Lead

In the final quarter, after the Warriors lost two fumbles, the Kahoks moved from midfield to score in 13 plays. Fullback Dennis Porter went over on a one-yard run.

Kahok Steve Crespi kicked the vital extra point, making the score Granite City 12, Collinsville 13. Crespi had attempted a place kick after Collinsville's first touchdown.

Eight Minutes Remained

The Warriors picked up the next kickoff on the 14 and ran to the 30. They punted after failing to gain a first down. The Kahoks brought the ball from their 30 to the Warrior 43, and faked a kick on the fourth down. With two minutes left in the game, the Warriors began a succession of pass plays with a toss from Conway to Co-Captain Partney Moore, from the 25 to Collinsville 10. But the ball was called into backward because of a 15-yard penalty for backfield in motion.

Field Goal Try Falls Short

On fourth down, after a short pass to Ronnie Laws and with 47 seconds remaining, Partney attempted a field goal from the 18. But the kick fell short, giving the Kahoks possession of the ball until the clock ran out.

Morrison said the Warriors' defensive squad played a great game. Terry Yates was cited for doing an exceptional job, and the coach added that Partney did the "best job of high school football" that he has ever seen.

Morrison also commended Moore and Conway, adding that the Kahoks had the equivalent of 2 1/2 men covering Moore during the game.

"Moore threw a couple of blocks that were worth the price of admission to everyone including babies in arms," Morrison commented.

"We deserve to be 2-1 now. We are not going to panic. In the end we'll have a winning season."

No Injuries in Three Mishaps At National Auto Races Here

A crowd of 4700 saw \$15,700 in prize money awarded to winners in yesterday's IMCA Sprint Car Championship races at Tri-City Speedway. The day's racing saw only three crashes, with no injuries to drivers.

The event was the windup affair for the International Motor Car Association's 1966 season.

Hometown racer Ronnie Perkins flipped his car twice during a practice round as the program got rolling at night.

Another time trials crash victim was Don Hewitt, Troy, O., whose car flipped five times on the back stretch. Hewitt only had the wind knocked out of him.

Andretti Crash
Then in one of the most spectacular crashes, A.J. Andretti, twin half of the famous Andretti brother racing duo, lost control of his car in the third heat race.

Aldo's mishap occurred on the front straightaway and his auto climbed the fence, tearing out a section of the wire. In the ensuing crash, the driver miraculously escaped injury in an event that had to be started three times.

Two drivers spun out as this heat race was getting started, forcing another attempt before Andretti came around for his crash.

Wade Honored
Jerry "Scratch" Daniels, St. Paul, took fastest qualifying with a clocking of 24.40 as the day's event got rolling. Forest Lake, Minn., driver Jerry Richards was second, only two hundredths of a second off Daniels' time.

Roxana driver Bill Putterbaugh was third and Wichita's Grady Wade was fourth.

Punt-Pass-Kick Soccer Subject To Ups, Downs
"What kind of marks should boys competing in Ford's punt-pass-kick contest at the Granite City high school stadium Oct. 16 shoot for?"

Results from the 1965 competition in the St. Louis first level (Local and Zone) scoring gave some hint. By age group the following scores were attained: 10-11, 10-20; 11-12, 10-20; 12-13, 10-20; 13-14, 10-20; 14-15, 10-20; 15-16, 10-20; 16-17, 10-20; 17-18, 10-20; 18-19, 10-20; 19-20, 10-20.

But boys who are not attaining these scores might take heart. Weather, wind and other factors including the apparent fact that even champions have bad days, influence scoring.

Performances Vary
For instance, a look at just the eight-year-old scoring from 1965 is most interesting. In the local (District) competition in St. Louis last year, the winner's score was 182, less than in local scoring.

Eight-year-olds scored dropped further in the third level (Area) event, where the winner scored 171. It picked up significantly in level four (Division) competition, to a total of 221. But the eight-year-old winner in fifth level (National) competition only scored 173.

Commenting on this, the director of PPK here, Granite City school athletic director Dick Yates, said, "Certainly, boys have good and bad days, but the weather on a particular day, influence scoring. I remember last year in St. Louis it was a damp, rainy day."

Scoring Explained
Yates also came up with an observation. "Out in Texas somewhere boys were making fantastic scores," he said. "Officials began investigating and found they were not subtracting their minus penalty scores for each foot the ball falls on either side of a dead center line."

An example of the minus penalty scoring can be illustrated thusly: a kick of 55 feet equals 55 points; but if the ball lands 10 feet right, or left, of the center accuracy line, the score here would be 45.

Still Time to Enter
Scoring, and the penalty points, is the same for punting, passing and kicking, which all add up to a final total PPK score.

PPK's entry forms are available at the B. E. Hohl agency, 1837 Madison avenue, Oct. 7. Also available is a free book detailing the complete PPK story.

With the local competition, which starts at 1:30 p.m. on Oct. 16, nearing, Yates had one further comment: "Get out there and practice," he urged local contestants.

Boosters Looking For Added Boost
Boosters of the Fighting Warriors will hold a meeting tonight in the Granite City high school gymnasium following the 7 o'clock jayvee game with Collinsville. Approximate time of the meeting is 9 p.m.

Films of Warrior games will be shown. A special appeal is being made for movie rental payments and larger attendance.

MORE ABOUT Highway Dept.'s

without a median is the crossing of the highway center, resulting in head-on crashes.

Records also show, Krust said, that the number of rear-end collisions in the traffic lanes are substantially reduced by the 18-foot median, and practically eliminated by the 13-foot median.

On Clear Lanes
"On a highway without a median," he said, "motorists wanting to turn left into intersecting streets or roads must stop in the traffic lane to await the passing of traffic from the opposite direction. With an 18-foot median, the driver can pull into the median but not sufficiently to clear the vehicle entirely from the traffic lanes. In a 42-foot median, however, there is ample room for a car, or even a truck, to clear the traffic lane to wait for the passing traffic in the other lanes."

A delegation of protesting homeowners met ten days ago with Krust to present their right-of-way plan. The group since has sent letters to government officials and legislators to support their demands for a change in plan.

12 Defendants On Trial Calendar In Circuit Court

Twelve defendants charged with area crimes were listed on the criminal calendar of the Madison county circuit court which started today at Edwardsville.

They are William H. Rowland, 27, of 1723 Edison ave. charged with the murder of Jerry Thompson, 23, of Upton, Ky., last Feb. 28; Ernest Verba, 23, of 912 Iowa street, Madison, charged with the rape of a 12-year-old Madison girl on June 7.

Arthur Spiroff, 33, of 2938 Morgan avenue, charged with taking indecent liberties with a child; Melvin Hayron, 24, of 2805 Marshall avenue, charged with altering state license plates; George Todoroff, Granite City, charged with taking indecent liberties with a child.

Donald Phillip Rowland, 29, of 2628 Benton street, charged with taking indecent liberties with a child; Charles Vernal Scott, 29, of 539 Fleming place, charged with aggravated battery in the stabbing of his father-in-law in a tavern on July 8; Marjane Craig, 39, of 1633 Third street, Madison, and William Earl Henderson, charged with burglary in the Hlava garage in Madison on June 22.

Alvin Thompson, 33, of 1100 Calhoun street; Charles Matthews, 37, of 307 Weaver street; and Jewel Dandridge, 35, of 203 Viola Jones homes, all of Venice, charged with theft of more than \$1000 worth of construction tools at the Dunbar school site in July.

Also set today was a motion to consolidate cases of Ricky Brandon Wallace, 18, of 1221 Edwardsville road and Richard Lee Anagnoste, both charged with taking indecent liberties with a child.

Procedure for Notification on War Casualties

Recently it has been noted that next-of-kin of soldiers serving in combat areas have been subject to cruel hoaxes involving false casualty reports, a Granite City Army Depot spokesman said today. The false reports have been delivered by telephone, telegram or in person, he reported.

Following is the procedure used by the U.S. Army in notifying the next-of-kin of serious casualties.

The official notification that an Army member is dead, missing in action or seriously wounded is never sent by telephone or telegram. It is always delivered in person by an officer or senior non-commissioned officer, who is prepared to present proof of his identity if asked.

Normally, the initial notification is made at the nearest military headquarters located near the residence of the next-of-kin, such as the Army Depot.

Within a few days thereafter, the next-of-kin will receive written verification and further information from The Adjutant General, Department of the Army, Washington, D.C.

Mrs. Irvin Presides At 'Boss Night' Event

Mrs. Alma Irvin, director of the Granite City school district's school lunch program, presided at the annual "Bosses' Night" meeting of the Madison County School Lunch Association Thursday evening at Roxana.

More than 325 school lunch personnel and guests attended, including a number of educators and school administrative officials. A 70-member delegation from Granite City was accompanied by principals, Donald Kopf of Nameoki school; Theodore Vraback, Wilcox elementary school; Walter C. Klein, Prather junior high school; and Raymond Jones, Prather assistant principal.

Mrs. Irvin presiding as the association's top executive for the first time, welcomed other special guests, including Ray Vraback, director of Springfield, Illinois school lunch program director; Wilbur R. L. Trimpe, Madison county superintendent of schools; and Mrs. Vernice Wortman of Granite City, state lunch program field representative. Each briefly addressed the assembly.

Supt. Latham E. Harris of the Roxana district gave the welcoming address. Entertainment was provided by a dance duo of Roxana students, and a program of vocal music by the Roxana high school chorus. Also shown was a film, "The Strangest Secret."

The association has a membership of 450 and holds regular meetings three times each year, with the next session on Jan. 21.

Army Depot Kicks Off United Fund Campaign

The Granite City Army Depot was scheduled to kick off its United Fund campaign at 2 p.m. today with 50 volunteer workers soliciting 1700 employees.

The goal is \$6000, a 4.5% increase over last year due to the need for emergency funds by the Red Cross for services in Vietnam and the disaster fund caused by a rash of tornadoes and hurricanes in the past year.

The money collected will be used in the Quad-Cities area for various purposes. Herbert C. Strickland is chairman of the depot campaign.

Belleville Judge Conducts Traffic Offenders School

Youthful traffic offenders appearing before Judge George Sansom in the 20th Judicial Circuit Court, Belleville, Mo., today, found themselves faced with a choice—pay the fine as stipulated, or attend a special traffic offenders school, presided over by the court official, local Optimist club members were told Thursday afternoon.

Regardless of their choice, each young person between the ages of 16 and 20 years, receives a personal consultation with Judge Sanson, who evaluates the individual and assesses the problems involved in each case.

Judge Sanson discussed his personal project, through which he intended to avoid numerous repeat offenders in his court, when he spoke at the Optimist luncheon, in the YMCA, Frank Rea was program chairman.

Judge Sanson related the sharp increase in the number of juvenile crimes to the greater permissiveness of parents and temptations offered youth in today's society. He said that strict discipline both at home and in the schools appears to be the only answer to the gain in delinquent juvenile cases.

He emphasized that young offenders charged in his court are not eliminated from blame by being presented the choice of paying a fine or attending traffic school.

He conducts the school after court hours on his own time. Within the initial 12 months of the project, the number of young offenders was reduced from 59% of the overall cases to 27%.

At the present time, the number of young people appearing before him comprise only 17% of all traffic violators. He praised the driver training program, sponsored by school districts as a definite step in reducing the number of juvenile offenders.

Twenty-seven attended the luncheon meeting, including a guest, Les Abernathy of Madison, Optimist President Wilbur Trimpe, who presided and at closed and an induction ceremony for William Kozayk, who was welcomed as a new member.

Reports on the progress of the Optimist-sponsored school safety patrol program were given by John Dreyer, who also announced preliminary plans are under way for "Youth Appreciation Week," Nov. 11-18.

Charles Baricovic, chairman of the Optimist Christmas Tree Sales project, reported that advance tickets will be distributed to club members this week.

Marshall Travis Dies of Brain Hemorrhage

Marshall Travis, 68, of 2323 Hodge avenue, died at Elizabeth Hospital at 1 a.m. Friday. Death was due to a brain hemorrhage.

Mr. Travis had been a patient in St. Elizabeth's since Sept. 19 when he was stricken. He had not been previously ill.

He was born in Houston county, Tenn., and had lived in Granite City 27 years. He was a retired papermaker at Union Star & Refining Co., and was a member of the Primitive Baptist church at Greenville, Ill.

He is survived by his wife, Mrs. Pauline Travis; a daughter, Mrs. Betty Wilmore, Madison, Mo.; a son, Herman Wood River; two sisters, Mrs. Myrtle Anderson of Granite City and Mrs. Pearl Milton of Paducah, Ky., and six grandchildren.

Mrs. Rose Duffey, 94, Dies in Nursing Home

Mrs. Rose Duffey, 94, a resident of Venice for 84 years, died at 8:20 p.m. Thursday in the Pleasant View Nursing Home at Calhounville. Her home was at 629 Salvator street Venice.

Mrs. Duffey had been nursing for the past year at the nursing home where she became infirm. Death was attributed to infirmities.

She was born in Washington, Ind., and moved to Venice in 1902. She was a member of St. Mark's Catholic Church in Venice.

She is survived by a daughter, Mrs. James (Dennie) Willoughby of Pesta, Mo., two grandchildren, six great-grandchildren and four great-great-grandchildren.

Funeral arrangements are given in today's obituary column.

\$10,000 Suit Filed For Boy in Accident

A suit for \$10,000 has been filed for Danny Smith by his father, Clarence Smith of Madison, against Raymond Edmond Jenkins of Creve Coeur, Mo., and the Quoten Corp. of Chicago in the Madison county circuit court at Edwardsville.

The suit alleges that on Sept. 1, 1965, the boy, then 15, was riding his bicycle when he was struck by an auto driven by Jenkins at Third street and Washington avenue, Madison, causing serious injuries. Negligence was charged. The complaint adds that Jenkins was serving in the course of his employment with the Chicago firm at the time of the accident.

Pollution Control to be Factor at New IPC Plant

Construction of the new Illinois Power Co. generating station at Baldwin, Ill., will include the most modern devices for control of air and water pollution, it was announced Friday.

Company officials estimate that between \$1,500,000 and \$2,000,000 will be spent to insure the purity of the air and water in the plant area. The plant will be located on a 300-acre tract in Radolph county along the Kaskaskia river northwest of Sparta.

Total cost of the plant will exceed \$200 million over a period of years with the first generating unit expected to go into operation in 1970 with a capacity of 550,000 kilowatts.

Among new devices to control air pollution will be electrostatic ash precipitator rated 99% efficient. The company maintains a laboratory at the Hennepin Power Plant on the up-date equipment.

The future Baldwin plant will also incorporate a modern chemical laboratory staffed by graduate chemists and chemical engineers to assist in air and water control as well as supervisory functions necessary to electric production.

Power company officials said that Illinois Power Co. for years has been actively interested in the control of air and water pollution and all of the power plants, all built since 1947, has devices which were considered standard at the time of their installation. With many recent advances, the planned Baldwin plant will incorporate the most up-date equipment.

Stringent Air Pollution Rules Set By Illinois

Standards for installation of air pollution control equipment—reported to be more strict in some instances than those recommended in the Interstate Air Pollution Study—were adopted tentatively by the Illinois Air Pollution Control Board in a meeting at Chicago Thursday.

As a result of the board's action, heavily populated areas such as the Madison-St. Clair county metropolitan area, would be covered with stronger air pollution control laws than other parts of the state.

The staff of the Illinois control board sought such standards on the basis that metropolitan areas are so much more heavily populated than other sections of the state that they therefore emit most of the contaminants that pollute the air.

A public hearing on the proposed rules and regulations will be held at the Madison-St. Clair county metropolitan area, would be around mid-November. Rules and regulations for governing operation of existing air pollution equipment and incinerators were placed on the board's agenda for the discussion at the November meeting.

The board did not immediately announce whether action "was taken in 12 open burning cases in which testimony was heard in a hearing in East St. Louis two weeks ago. At that time testimony was given by or in behalf of operators of area landfill and auto salvage firms who were cited for open burning in connection with operation of their businesses.

Given Tentative Approval

Tentative approval of the new state rules and regulations were discussed by Jack L. Bergman, board chairman, as a "big step" toward solving the state's air problems.

About 50 representatives of industry attended the state board meeting.

Some of the regulations, in effect, are a compromise between standards recommended in the Interstate Air Study and recommendations made by the American Society of Mechanical Engineers which recently completed a three-year study of air pollution problems.

Board members explained that some of the recommendations of the Interstate study approved by the board are more restrictive than state standards, while ASME proposals are more restrictive than the Interstate program as applied to larger operators.

Must Obtain Permit

Under the new rules a permit must be obtained from the board before installation of any new equipment using natural or liquefied petroleum gas exclusively with a capacity of less than 50 million BTU per hour input. Fuel burning equipment used by smaller apartment buildings and homes, internal combustion engines, jet engines, marine installations, locomotives, and equipment used on farms for agricultural purposes are also exempt. Installers also will be required to obtain an operating permit.

St. Louis Air Pollution Commission Charles Copley Jr. said he is satisfied with the Illinois recommendations and that they are, in some respect, more stringent than those suggested by the Interstate Study.

This is a reversal of an earlier Missouri attitude toward such standards which was based on the fact that Illinois rules were too lenient.

The eight metropolitan areas would be covered by the more stringent controls include Madison-St. Clair area, Chicago, Champaign-Urbana, Decatur, Rock Island-Moline, Springfield, Peoria and Rockford.

Rice Gets Six Months Probation for Burglary

Clifford L. Rice, 20, Granite City, was sentenced to six months at the state prison farm at Vandalia and was placed on three years probation Friday in the Madison county circuit court at Edwardsville.

He had been listed as a fugitive after pleading guilty to a charge of burglary at Gardner's market, 2237 Illinois avenue, and failing to appear for a probation hearing which was pending. He was arrested last week in Granite City by sheriff's deputies.

GC Man Files Suit on Alleged Home Defects

Leo Burris of Granite City has filed a suit for \$2500 and costs against the Barnhart Home Construction Co. in the Madison county circuit court.

The complaint alleges that Dec. 28, 1964, for construction of a home in the Northland Estates subdivision for \$20,750, but that workmanship and materials were deficient and the firm refused to make corrections despite a guarantee.

City's General Fund Expenses Total \$434,472

Disbursements from the Granite City general fund totaled \$434,472 as of Sept. 1, leaving a balance of \$361,463, according to a report by City Treasurer E. R. "Pat" Rich. The fiscal year began May 1.

Total general fund receipts during the period amounted to \$981,352, which with balances of \$104,383 at the beginning of the year gave the city total available revenue of \$785,635.

Largest expenditure from any single general fund account during the four month period was for the police department, totaling \$107,883. The street and alley department was second with disbursements totaling \$99,207. Fire department expenditures total \$92,206.

Other major general fund expenditures for the period included the sanitation department, \$40,882; general government, \$34,867; and the city hall fund, \$12,167. Only one account shows a deficit for the four months, that for payment of school crossing guards. The account had a \$901 balance at the beginning of the year, but has received only \$100 income for a

total of \$401. Expenditures, however, have totaled \$3164, leaving a deficit of \$2762.

Largest current balance among special funds is that of the sales tax account. The report shows a balance of \$308,499 as of Sept. 1. The city had \$350,373 in the fund at the beginning of the fiscal year and received another \$98,270 during the past four months making the total \$448,644 for the year. Expenditures out of the fund thus far amount to \$50,144. This fund is used primarily to pay deficits or meet shortages in other funds as the year progresses.

List Library Expenses

The report for the period shows no deficit in any of the city's special funds whose balances as of Sept. 1 total \$1,088,550. This includes a \$128,662 balance in the public library fund which has had disbursements of \$73,813 so far in the fiscal year. Total available money in this fund was \$202,476 which included a \$70,456 balance at the beginning of the year.

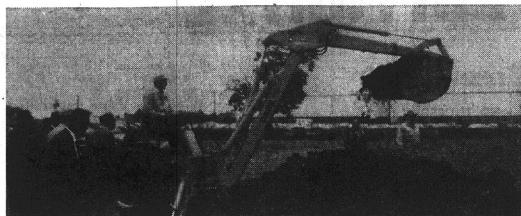

The library fund expenditures of \$23,813 represents the largest single fund disbursement of the four-month period among special funds.

The maintenance of sewer funds, which began the year with a deficit of \$99,778, had a balance of \$80,655 as of Sept. 1, result of a transfer of \$94,580 from the working cash fund. Receipts from other sources during the year have totaled \$20,010.

A balance of \$98,057 is shown for the parking meter fund which had a balance of \$92,851 at the beginning of the fiscal year and since has been increased by receipts of \$16,767 to a total of \$109,718. Out of this disbursements of \$11,663 have been made.

There have been no expenditures out of the special street fund of \$27,916 or out of the special police fund of \$29,069.

Why Aren't Some Autos Assessed?

To the Editor: The Personal Property Tax Form handed out by the assessors indicates that automobiles from 1966 down through 1968 are taxable.

Accordingly, why aren't ALL automobiles within that range taxed and owners included in the personal property listing in the Granite City Press-Record? Most certainly, the Press-Record can only publish according to the tax assessor's office records.

This is not something new. Several years ago, I called this to the attention of the tax assessor's office. But no correction, apparently, has been made. Will the tax assessor's office please explain?

(Ten names of owners of 1968-69 autos in Granite City, not mentioned in the assessment listing published Sept. 26, are given by the Forum writer.)

Some of the people to whom I refer are elderly and use some security, etc. So am I, yet my name is included in the Press-Record listing.

Everyone should be treated alike, unless the Golden Rule

Right to Assent Is Being Stifled

(Shamokin, Pa., Citizen)

The right to dissent has been passionately defended by many who have found themselves in the minority on controversial issues.

Although in the heat of discussion there have been instances of intolerance of those who expressed views contrary to those held by the majority, generally the right of free speech has been respected in America.

At times the President has struck out sharply at critics of the administration's conduct of the war in Vietnam. While his own statements might have put a constraint on the words of some dissenters, his actions could not be considered an illegal restraint on freedom of expression.

Even as the lives of more young Americans are committed in the struggle in Vietnam, discussion continues. Free speech has been no casualty in this war.

The right to assent to an administration's policy is just as essential in a government responsive to the will of the governed as is the right to dissent.

When a majority does not take course of action, it is vital that this be clearly and freely expressed.

There can be a tyranny of the minority that should be opposed as vigorously as any tyranny of the majority.

Such a tyranny is described by Professor Lewis S. Feuer of the University of California at Berkeley.

In an article entitled "The Decline of Freedom at Berkeley" which appears in the September 1966 issue of "The Atlantic," Professor Feuer finds that free speech has degenerated into irresponsible license and, what is much worse, a suppression of free discussion.

This professor of sociology observes that "freedom of speech in a meaningful sense had virtu-

Brought Home Last SWC Win for Warriors

1946 Warriors to be Honored At Alton Homecoming Friday

Players and coaches from the 1946 Southwestern Conference championship Warrior team, gathering for a 20th anniversary at Friday night's homecoming game with Alton, have much to recall with pleasure.

Team members will congregate first in the old cafeteria at Granite City high school between 7 and 7:30 p.m., and then will be introduced prior to the kickoff at 8 p.m.

On Nov. 22, the entire team will be guests at the athletic banquet in the new cafeteria, where they will be again feted.

Show Start, Fast Finish
Lawrence McCauley's 1946

Warriors did not start the season auspiciously, but the outlook changed rapidly.

Taking on an unfamiliar opening opponent, Webster Groves, whom Granite City had not tested since 1942, the local team suffered a 21-12 blow in its first record.

It had been a McCauley-coached team that had shut out the Missouri squad 13-0 in 1942. McCauley, now principal of GCHS, served as football coach in 1941, 1942 and 1946.

In the 1946 opener, the Warriors struck early. Bill Schooley passed to Gil Georgeff for a 24-yard TD play in the initial stanza. Later, in the second frame, Schooley scampered 64 yards along the sideline for Granite City's other tally.

But Webster came right back with two touchdowns of its own and, in the fourth quarter, added still another TD. This last score resulted after a bad pass from center was pounced on while the Warriors were backed into their own end zone.

The lineup in this first game of the 1946 season was: Tom Carmondy L.E., Gerald Patterson L.T., Bill Portell L.G., Frank Kraus C., Harold Henson R.G., Abe Tatosian R.T., Carl Dulgeroff R.E., Gil Georgeff Q.B., Pete Spiroff L.H., Bill Schooley R.H. and Maurice Jackson F.B.

Pound Hillsboro
With Carmondy going to right half for injured Pete Spiroff, and Ken Robinson coming in at right end, as the only lineup changes, the Warriors wrecked Hillsboro 21-0 in their second game. It was the fourth triumph against this team in six years.

Another Schooley-Dulgeroff pass play clicked for a first-quarter TD and Maurice Jackson, who had run over the first PAT, intercepted a pass in the end zone for a second score. He again ran over the extra point. Schooley tallied the final TD after another interception, and Carmondy got the PAT.

Alton
With Schooley and Georgeff alternating the attack, the Warriors scored quickly in their initial conference game and went on to beat Alton 13-7 on Friday, Oct. 4. An early-third-quarter insurance TD proved enough even though Jackson was stopped short trying to run the PAT over.

Wood River
With Schooley scoring two TD's and Georgeff and Dulgeroff scoring once each, the Warriors downed Wood River for the third time in a row in their second SWC tilt. This 27-0 win set the stage for the conference race, at this point tied 2-0 between Granite City, East St. Louis and Belleville.

Belleville
A homecoming on a field too wet from rain for the band to perform didn't dampen the Warriors' spirits in their 60-0 encounter with the powerful Macons in 1946. The game was fraught with many fumbles caused by the slippery conditions. Fullback Maurice Jackson found a big hole late in the second quarter and went 40 yards for the game's only tally.

East St. Louis
Despite a two-point safety being flashed on the Flyers' scoreboard early in the second quarter, the Warriors held off their Parsons field hosts in a 60-0 tie in one of the 1946 season's top games.

Early in the second frame, the Flyers had advanced to the Granite City six-yard-line. A play later, the ball was bobbled and a two-point safety was at first announced. It was immediately ruled otherwise, however. The Warriors fumbled on their 20 late

in the fourth quarter but batted down four straight Flyer passes in the end zone.

Edwardsville
Coach McCauley might well have given out swimming letters after the 1946 Edwardsville game. The contest, set back one day to Saturday night because of rain, was played on a field here that was completely covered with water down the middle from goal line to goal line.

When end Carl Dulgeroff jumped up for the second pass-play touchdown, he had to leap out of six inches of water in the end zone. Later, in the Edwardsville end zone, substitute Bud Warfield tackled a Tiger runner for a safety in this 15-0 affair.

Collinsville
Although behind for the first time in the season, the Warriors came on to beat the Kahoks 20-7 in Granite City's final game of the season. Schooley tallied two TD's and Georgeff scored the other in a game highlighted by good teamwork.

Madison
When Granite City faced arch rival Madison in 1946, the pressure was at a peak. Coach McCauley's team had to down the cellar-dwelling Trojans if it was to insure a tie with as-yet-undefeated East St. Louis.

Again, rain, starting three hours before game time in the Trojan homecoming affair, made the field dangerous and slippery. In the first crucial play, Schooley's plunge for a TD saw the ball squirt out of his hand and back to the four-yard-line.

Plan \$10 Per Plate Dinner for Sen. Simon

A political fund-raising dinner — at \$10 a plate — will be held in Alton on Oct. 22 to boost the candidacy of State Senator Paul Simon of Troy who is seeking re-election in the Nov. 8 general election.

Four of the state's legislators will make brief speeches at the dinner. They include Senator Robert McCarthy of Decatur, Senator Alan J. Dixon of Belleville, Rep. Robert Mann of Chicago and Rep. Anthony Scarnano of Park Forest.

Serving on the dinner committee from this area are Mayors John Lee of Venice, Stephen Maers of Madison and Donald Partney of Granite City and Thomas Stalcott, president of the Pontoon Beach village board.

Vasil Efthymiou of Granite City is general chairman of the affair and Walter T. "Buck" Simmons of Venice, Democratic county chairman, is honorary chairman.

Others from the area serving on the committee are Edwin Reiske, William Wales, Henry Bieniecki, Frank Fuzessery, Christ Costoff, Cleveland Johnson, Mrs. Catherine Kulenkamp, C. Arnold Rutherford and William Thomas.

Senator Simon recently was elected to the permanent board of directors of the Central Midwestern Regional Educational Laboratory, Inc. He will be installed at the annual board of directors meeting in St. Louis on Oct. 5.

The not-for-profit corporation is one of several similar organizations set up across the nation to initiate, support and encourage research on the educational process and to reduce the time interval between discoveries and their application to the public and private classrooms of the region.

John R. Hundley, vice-president of industrial relations at Granite City Steel Co., also is a director of CEMREL.

State Auditor to Request Funds For Audit Checks

State Auditor Michael J. Howlett told a meeting of the Municipal and County audit advisory boards in Belleville Friday that he will seek state funds to finance an annual "quality review" of municipal and county audits filed in Springfield.

Speaking at the meeting in August's Restaurant Howlett said he will request an appropriation for audit reviews from the 75th General Assembly early next year. Members of the advisory board attending the meeting included accountants, public officials and civic leaders who help the auditor review the Illinois municipal and county audit laws.

Illinois statutes require municipalities and 87 counties of 100 to 200,000 population to be audited regularly by professional accountants. The audits are filed in Howlett's office and are available for public inspection.

A few months ago, Howlett said, the Illinois Society of Public Accountants, in cooperation with the auditor's office, made a quality review of 286 municipal audits, including at least one from every Illinois CPA firm engaged in the work.

Audits Well Done On the whole, the review discovered that the audits were well done, but many flaws were found, some of them resulting from inadequate record keeping by the municipality rather than faulty auditing by the CPA.

"The quality review was done by 28 accountants," Howlett said. "The useful results indicate it should be continued annually under supervision of my office."

The same checklist used by the society to make the 1966 reviews will be used by my office to make reviews in years to come," he said. "We want to be sure that reviews will be of the same quality."

"We are trying to extend to every unit of government in Illinois the accountability now demanded of municipalities and counties by the state's audit laws. But at the same time we want to improve the reporting procedures of the governmental units already being audited. We can't go wrong making information fully and clearly available about the transactions of government."

GCHS Homecoming Opens this Week with Play, Coronation

Granite City high school began observing Homecoming Week today with activities during the week to include the Homecoming coronation, a musical comedy, a football game and a dance.

The play, "Bye Bye Birdie," will be presented by the speech department at 8 p.m. Wednesday and Thursday in the school auditorium. Queen coronation ceremonies will be conducted both nights in connection with the production. Reserve seats may be obtained at the school office or from speech students.

In the Homecoming football game, the GCHS Warriors will host the Alton Redbirds at 8 p.m. Friday.

The game will be preceded by a bonfire and pep rally at 6 p.m. Thursday at Wilson Park No. 2 baseball diamond. Coaches and football players will be honored. The dance will immediately follow the game in the girls gym, with music to be provided by The Socials.

Large chrysanthemum blooms, pins and shakers will be sold by members of the speech department.

Queen's Court

Members of the queen's court, from which the queen and her ladies-in-waiting will be selected, are Mary Berosky, Alice Cross, Vicki Duncan, Kay Hayes, Jan Johnson, Candy Jones, Katie Kaseberg, Connie McGovern, Colleen Robertson and Sherry Talley.

Debutants in the coronation will be Steve Conway, Bruce Ellis, Jim Gann, Dave Gitcho, Jim Hentzel, Dean Jones, Don Kirksey, Randy Lambert, Jim Little, Terry Moore, Bob Odum, Dan Partney, Jim Peters, Bill Reimers, Peter Sabin, Stacey Stoicoff, Joe Strake, Jim Stuart, Ron Turner and Terry Yates.

Crowning ceremonies will be supervised Wednesday evening by Miss Phyllis Bell, and Thursday evening by Miss Sharon Randall. Both were first attendants in the 1966 May Queen's court.

Musical Comedy

The musical comedy, based on a book written by Michael Stewart, is the story of Conrad Birdie, a rock 'n' roll singer who is about to be inducted into the Army. His agent, Albert Peterson, and secretary, Rosie, concoct a national publicity stunt before his induction.

The nucleus of the force involves the singer's fond goodbye, via television, to a typical American teenage girl, Kim McAfee, a 15-year-old Sweet Apple, O., lass, to the disgust of her boyfriend, Hugo Peabody. A dual romance develops.

Dual castings have been arranged for some leading roles. In the cast are: Albert Peterson—Ron Turner and Phil Spang; Rosie—Linda Sabo; Conrad Birdie—Bob Gibbs; Kim McAfee—Pauline Antmann and Connie McGovern; Mrs. McAfee—Colleen Robertson; Mr. McAfee—Richard Kozier; Helen—LeEtta Marrison.

Sad Girls

Sad Girls—Barrie Massie and Mary Berosky; Mae Peterson—Alice Cross and Laine Tadlock; May—Joe Strake and Tom Ray; Mayor's wife—Pam Swan; Hugo Peabody—Bill Harris; Randolph MacAfee—Kenneth Graham; Gloria Rasputin—Jane Johnson and Marcia Barnett; reporters—Rich Paoli, Jim Peters, Jim Greve and Richard White.

Teenagers—Robyn Robertson, Jean Graklanoff, Debbie Berger.

They are, left to right (from top), Sherry Talley, Candy Jones, Connie McGovern, Vicki Duncan, Katie Kaseberg, Alice Cross, Mary Berosky, Jane Johnson, Kay Hayes and Colleen Robertson.

"BYE BYE BIRDIE" CAST relaxes after a recent strenuous rehearsal at Granite City high school. Speech department students shown, who will appear in the 1966 Homecoming musical comedy at 8 p.m. Wednesday and Thursday, include—front row, from left to right—Marcia Barnett, Pat Kinkle, Sandra Thompson and Sharon Rouland; second row—Donna Summers, Regina Conrad, Vicki Simmons and LeEtta Marrison; third row—Paul Hoffman, Debbie Berger, Susan Boyd and Harry Zamminer; and back row—Jean Graklanoff, Linda Rains, Steve Suess, Bart Russell and Peter Sabina.

Jane Parnley, Linda Rains, Ginger Briggs, June Fowler, Sharon Rouland, Sherry Talley, Bart Russell, Paul Hoffman, Dave Gitcho, Steve Suess, Peter Sabin, Harry Zamminer, Douglas Law, Jim Little and Jon Martinez.

Mrs. Johnson—Ken Williams; Charles F. Maude—Eric Wiehard; and Conrad's chorus—Susan Boyd, Angela Gasparovic, Arefa Moxey and Diana Schilling. The production director is Richard King. The combo, Socials, will provide background and incidental music, assisted by Warren Simpkins, vocal music director, and the GCHS band directed by Louis E. Meek.

Eugene Alassi, art supervisor, and art students are preparing settings, and Mrs. William Hoelscher is choreography director.

Reserved seats may be obtained at the school office or from speech students.

Powell Seeks Strict Traffic Enforcement

Secretary of State Paul Powell today called upon newspaper editors and publishers to help make certain traffic laws are enforced strictly.

Addressing the Illinois Press Association at its meeting Friday at Springfield, Powell said, "I am not asking for speed traps or other gimmicks, but I do ask for strict, fair traffic law enforcement."

"I also feel that it is the responsibility of the police department as well as the press to make sure that the person whose license has been revoked or suspended does not drive. Obviously, a revocation or suspension is meaningless unless that person is made to stop driving."

He pointed out that revocations and suspensions of driver licenses are based on convictions in court for traffic law violations and are entered against persons whose records show that they are dangerous or potentially dangerous drivers.

Powell said he will ask the 1967 General Assembly to authorize installation of a computer system in both the driver license and automobile divisions which will enable his office to provide vitally needed information to law enforcement agencies in a matter of seconds, where it now takes hours.

GC Council Faced With 3-Page Agenda

Granite City council members meet in regular session at 8 o'clock this evening with a three-page agenda to cover.

Carry over business from last week's session includes pay increases for city hall employees. A proposal for \$25 monthly hikes for 11 of the workers and \$10 for 10 others failed to get a majority vote. Two weeks ago, the Personnel committee's recommendation for a 4% increase with fringe benefits was voted down 10-to-5.

A decision also is expected on repayment of a \$6700 grant of federal tax funds for engineering costs in connection with the sewage treatment plant.

Reports are to be given on the proposed elimination of the State street jog at Fehling road and progress on right-of-way acquisition for south Nameoki road.

Wash Woodware
It's an old chef's tale that wooden bowls and utensils should only be wiped clean after use. Don't believe it! Woodware can and should be washed in warm, sudsy water.

Washing does not mean soaking, as soaking causes swelling, cracking and warping. But proper washing can cause no harm. In fact, unwashed woodware can breed harmful bacteria. Fragments of meat left on a cutting board can be dangerous. Salad oils clinging to a bowl can easily turn rancid.

Hardwood salad bowls can be dipped briefly in warm, sudsy water and rinsed immediately. Wipe with a towel and let dry in an airy place. Never put woodware away until you are sure it is totally dry. Also, wash salad bowls soon after use, while food and oily dressings are still easy to remove.

A stiff-bristled brush, such as a vegetable brush, makes a handy cleaning tool for hardwood planks used for steak and fish. The brush can remove meat and grease that become imbedded in the deep grooves of these oven-proof planks.

Chopping boards are usually made of soft woods and are often used for foods that become "juicy" when chopped. It is especially important to keep them clean. If knife marks leave ridges in the wood, rub them down occasionally with sandpaper to keep the smooth surface needed for efficient cutting and cleanliness.

Rolling pins, pastry boards, spoons and other wooden utensils should also be washed, but not left to soak. Air-dry utensils before putting them away.

To wash doughy surfaces, rinse with cold water first. Then use

the usual warm suds, rinse and dry.

Timely Meal Planning.
How to plan meals economically is a subject emphasized in many magazine articles today. But to plan meals with an economy of time as well as money takes real thought.

The homemaker benefits by spending more time with her family and less time in the kitchen.

These suggestions may help you find leisure hours you never thought you could afford:

Plan meals for several days at a time, taking advantage of weekly specials at the supermarket.

Make a market list and follow it, bypassing the luxuries and selecting the most food value for the money. Shop once or twice a week, when the stores are least crowded.

Use simplified menus suitable for all age groups; don't cater to each individual whim.

Arrange your kitchen in efficient work units, keeping utensils and supplies at point of first use — that is, where you will most likely need that particular item, such as the coffee near the coffee pot.

Plan a work schedule and follow it. With menus planned ahead you'll know that you need chopped onions for tomorrow night's meatloaf, so you could chop them tonight when you are making the tossed salad.

With a plan of this sort in mind you'll be able to enjoy your family much more because you won't be caged in the kitchen. Give it a try for a month. You may be pleasantly surprised.

HOW MANY POINTS HAS YOUR SAVINGS ACCOUNT GONE UP THIS YEAR?

If you had put \$25,000 in a savings account on January 3 of this year, by September 2 that \$25,000 would have bought stocks that were priced at \$29,675 on January 3. This means that your savings account increased 18.7% in stock purchasing power in addition to paying generous earnings over this period. (These figures are based upon the Dow Jones Industrial Average stocks at the market close on these dates.)

We're not saying that it is unwise to invest the stock market. Far from it. The stock market is a useful and necessary function.

What we are saying is that many investors keep a substantial part of their estates in savings accounts in Insured Savings and Loan Associations such as ours. They have safety, liquidity and good earnings. And, if the stock market goes down, the value of their savings accounts goes up in terms of the number of shares of stocks they can buy. How many points has your savings account gone up this year?

Only 8 Days Left to Register to Be Eligible to Be A Voter

Quad-City and Madison county residents who qualify this year as new voters have only eight more days in which to register either with deputy registrars or with the county clerk's office in Edwardsville, to qualify as a voter for the Nov. 8 general election, Miss Eutalia Hotz, Madison county clerk, pointed out today.

Also, Miss Hotz said, persons requiring corrections to their existing voting records must heed the same deadline. This refers particularly to persons who have changed their name by marriage or court order, or who have changed addresses. Address changes may be made by noting the new address on the back of their present voters registration (a pink card) and mailing it to the county clerk's office.

A series of special registration periods has been held in the Quad-City area during the past month. Only three such periods remain on the schedule. These include:

Grigsby's Bi-Rite Market, 4035 Pontoon Road, Oct. 8, 9 a.m. to 5 p.m.; North Venice Drugs, Oct. 8, 1 p.m. to 8 p.m., and the Tri-City Grocery at Fourth and Broadway in Venice, Oct. 7 and 8, noon to 8 p.m.

Plan Extra Hours

In addition to the convenience offered area voters through the special registration periods, Miss Hotz will keep the county clerk's office open nights beginning to night and continuing through Friday night, to accept registrations and record corrections. Hours will be from 5 p.m. to 8 p.m. nightly.

An incorrect listing of dates for special registration centers last weekend was printed in Thursday's issue. A list of Sept. 34 registration periods was erroneously transposed with the Oct. 1 listings in a Press-Record story.

Miss Hotz explained that any person who knows a voter that plans to vote an absentee ballot should report the name to the county clerk's office, either in person, by writing or by telephone.

The clerk's office then will check to see if the voter is properly registered and, if so, will mail an absentee ballot with a letter of instructions to that voter.

Under a new provision of the absentee voter laws, the county clerk said, persons in the United States service need not be registered to vote an absentee ballot, providing that their legal residence includes one year in Illinois, 90 days in Madison county and 30 days in the precinct prior to entering the service.

The new regulation applies to members of the Armed Forces while in active service, and wives and dependents living with or accompanying them; members of the Merchant Marine and their wives and dependents; civilian employees of the United States in all categories and their wives and dependents, whether or not the employee is subject to civil service laws; members of religious groups or welfare agencies assisting members of the Armed Forces who are officially attached to and serving the Armed Forces and their wives and dependents.

May Vote in Person

Men and women in the United States Service home on leave may vote in person in the county clerk's office from now through Nov. 5. Miss Hotz said that the county clerk's office, usually closed on Saturday, will remain open from 9 a.m. until noon on Nov. 5 for absent voting. A voting booth has been erected in the hallway of the clerk's office, or an absentee voter may apply by mail directly to the clerk's office through Nov. 3.

In the case of a physically incapacitated person voting an absentee ballot, one additional affidavit from the physician must

AAUW to Raise Funds For GC Scholarship

Plans to raise funds for the Granite City Scholarship Foundation were made by 12 executive board members of Granite City Branch of the American Association of University Women during a meeting Thursday at the home of Miss Marguerite Baker, Mrs. Ruby Foster, president, presided.

At the next meeting of the association to be held Oct. 20 at First Baptist Church, Dr. Felicia Koch, Illinois Mother of the Year, will be honored, and a talk will be given by an authority on air pollution.

The AAUW is arranging a rummage sale for Oct. 22 in the Fisher Hardware building on Broadway in Venice, and the Art committee is to meet Oct. 14 at the local studio of artist Gilbert Singleton to preview his paintings.

Members of the Literary Club of AAUW are to meet with Mrs. Foster on Oct. 4 to review data obtained on the proposed state revenue amendment.

accompany the application for an absentee ballot. Miss Hotz suggested that voters take their pink registration card with them to the polls. The voter is not required to display his registration card unless his name does not appear in the printed precinct list or in the for checking after the election.

Following the registration deadline, Oct. 11, the county clerk's office will tabulate all new registrations and record changes and refer them to the proper precincts. Permanent deputy registrars will be on duty from 7 a.m. to 5 p.m. in the Quad-City area with whom registration of record changes may be made at specified hours, daily, Saturdays 9 a.m. to noon. Saturdays until noon. Phone TR 6-0535. Home phone by appointment. Phone GL 2-3169.

Republican Candidates Bring Campaign Here

Mrs. Helen Thiele was hostess to a coffee hour for Republican candidates at her home, 1509 St. Clair avenue, Thursday.

Candidates present included Walter Emde of Granite City, for sheriff; Mrs. Vernie Wagoner of Granite City, for county clerk; Pete Fuchs of Godfrey, for treasurer; and John Guthrie of O'Fallon for Congress for the 28th district.

The candidates earlier had greeted workers and passed out literature at the first office of Granite City Steel Co.

They were assisted by Mrs. Wagoner, Martine Serin, president of the Granite City Republican Women's Club; Henry Garf, precinct committeeman; and Lester Thiele, treasurer of the city committee who had arranged the project. An estimated 400 workers were contacted.

400 Pending Divorce Cases to be Dismissed

About 400 divorce cases on file in Edwardsville were June Sanders of Granite City, clerk of the circuit court, announced during the week.

They have been pending, without any action being taken, since 1961, when the Portell list was compiled. Portell listed no particular reason for the delays.

Receiving a divorce Thursday in Edwardsville was June Sanders of Granite City from Michael Sanders of Huntsville, Ala. They were married Dec. 28, 1961, and separated Nov. 28, 1964. Cruelty was charged. Custody of two children was given to the mother, and the father was ordered to pay \$88 per month child support.

Rev. Waller Bartels At Second Baptist

Rev. Waller M. Bartels of First Baptist Church, Anna Ill., who will be the evangelist for revival services for a week, beginning Sunday, Oct. 9, at Second Baptist Church, 2100 Illinois avenue.

In addition to bringing the message each evening, Rev. Bartels will teach from the book of 1st John at 10 o'clock each morning at the church.

The song service will be directed by Thomas Harvengt and Rev. Clayton Humphrey, pastor.

His announced that nursery facilities will be available each evening.

Mrs. Eubanks to Lead Semi-Annual Meeting

A semi-annual meeting of the River Bluffs Girl Scout Council was announced today by Mrs. George Eubanks of Granite City, council president, for 10 a.m. Wednesday at the First Presbyterian Church, 6901 State street, East St. Louis.

The president's report to the council will include membership statistics, program of the year, status of camp site investigation and council financing.

There will be a discussion of the proposals to come before the national council meeting to be held in Detroit later in October.

After a luncheon which will follow the meeting, Miss Gail Terkat, council delegate for an experiment in international living, will talk about her experiences in Peru.

All registered adults are being invited, and reservations have been taken for the luncheon.

The River Bluffs Council is a participant in the United Fund.

Stockholders Reports Win National Honors

For the fifth time in the past six years, the Amsted Industries annual stockholders' report has been judged the best in the nation's ranked stock publishing industry, according to Financial World, national weekly business magazine. Amsted Industries include American Steel Foundries of Granite City.

The A. P. Green Refractories Co., which maintains offices in Granite City, won the corresponding first place award for stockholders reports in the building materials industry.

Illinois Export Debut

Illinois, America's leading exporter of food and agricultural products, made its debut as an

exhibitor in a major overseas trade fair at the International Exhibitor of Groceries and Fine Foods in Munich, West Germany, the past week.

Sponsoring the exhibition was the Export Expansion Division of the Illinois Department of Business and Economic Development

and the Illinois Department of Agriculture. Theme of the exhibit was "Illinois—Shopping Center of the World," emphasizing that Illinois can satisfy nearly every need of world buyers and fair visitors. Featured in the USA Pavilion were displays by 13 Illinois food processing and manufacturing companies.

Robert M. Schneider, director of the Illinois Department of Agriculture, and Charles H. Schrader, assistant director of the Illinois Department of Business and Economic Development, officiated at the exhibit. Museum Art Exhibit An exhibition of art at the Illinois State Museum during the remainder of 1966 and early 1967 will be the title of a second exhibit on display during the first

three weeks in October. Starting Oct. 1 through Oct. 21, "Watercolor U.S.A." will be featured. Direct from the Springfield, Mo., the exhibit features a selection of watercolors from national competition. "Line Drawings by Winslow Homer," 19th Century line engravings from Harper's Weekly, will be \$3,819,753. The Illinois School for the Deaf

in Jacksonville, operated by the Department of Children and Family Services, has become the fifth school for the deaf in a nation offering a fully accredited high school program, according to Cyril H. Winking, director. The accreditation, recently granted by the Office of the Superintendent of Public Instruction, follows a three-year effort to upgrade the ISD high school

program, Winking explained. Six Children and new teachers have been added to the staff, bringing the total to 14 in academic fields, 10 in industrial arts and four in physical education.
